GUIDED

"One of the best team building days I've been on!"

At Bainton Bikes cycling is our passion, with all staff members boasting a huge knowledge base for cycling all over the country. It is this combination of knowledge and passion that helps us to ensure we can create a perfect tour itinerary for anyone.

Tour details

We've been running bespoke tailored tours since we first started operating. Over the years we have created, arranged and run a huge variety of tours, ranging from planning routes for unguided tours, dressing bikes in hen party attire, running small or large tours for international visitors to arranging full custom tailored holiday packages for visiting families helping to ensure they get to experience as much as possible on their tight schedules.

Reservations

The price for a bespoke bicycle tour will vary depending on the duration and guide requirements, if you would like us to provide a quote then please contact us on the details below.
